President's Message

Hello Nobles..... November is here. October and the 100th celebration is now a thing of the past, just like the past 100 years. The particulars about the Anniversary will have to wait for the next newsletter, as this must be in print before the 22nd. Time is not a slough and keeps moving. I can't believe my year is almost at an end. Of course, now is the time also to prepare for winter. We could be in for a surprise if the winter is as strange as our summer and fall were this year. Somehow we survived all the rain, etc.

November is a very important meeting month. It is election time. It is time for the new President to accept the gavel for next year and the Vice Presidents to move up. We are looking for a secretary, because Bill Horn will be retiring as of December 31st. He is willing to be a resource for the new secretary. There is a whole new year of Shriners working for the children. Each year is as important as the one before. The hope of new Shriners is always our goal. Masons from the Blue Lodges can be invited to different functions so they can see the work we do for the children. The responsibility lies with the whole club and Shrine, not with individuals. The attendance of every function with all clubs and units is vital to keep the ideas from becoming stale. New ways and different functions are important.

Mark your calendar for election night November 10th. Perhaps you will be lucky and win one of the 15 turkeys to be given away. Don't forget the Christmas Party at Shady Maple, with Ladies invited, on December 8th.

Yours in faith,

Burnie

FROM THE SECRETARY'S DESK

A note to the Past Presidents who are probably wondering why they got a dues card since they are exempt from paying dues in appreciation for leading the club in their year. All Past Presidents are asked to contribute \$1 for the benevolence fund (dues are \$9 + \$1 benevolence) and a minimum of \$2 if they want their name on the Patron's List. I am very pleased with the response so far and thank those who contributed more than the \$2 for the Patron's List. This helps pay the printing and mailing costs. I again remind you that it is a requirement that you must be a member of a Shrine in order to be a member of the Shrine Club and its Oriental Band, so if you're delinquent or have demitted, please reconsider and renew your membership. You became a member of the Nobility not only for the fun and fellowship but because you believed in our philanthropy, **HELPING DISABLED CHILDREN THROUGH THE SHRINERS CHILDREN'S HOSPITALS**. With the economy the way it is, it really puts a strain on the old wallet but the kids are still there needing your help. If you want to see what we do and how appreciative the kids and their parents are for the treatment they receive, take a trip down to the hospital in Philly. You'll leave with a tear in your eye and a huge feeling of pride for the part you have in providing for the care and transportation of these children.

William F. Horn, Sec.
